**Must-Have Travel Gadgets****ExOfficio Insect Shield Convertible Pants, \$80**

Bugs will buzz off when you sport these lightweight, convertible pants from ExOfficio with new Insect Shield® technology.

Insect Shield coats your clothing with odorless and invisible protection from mosquitoes, ticks, chiggers, ants, flies and more. The EPA-registered technology will last through 70 loads of laundry.

The pants, which can be converted into shorts, are a pre-requisite for any trip to the woods, outback or malaria-ridden region.
